Dental Unit Was Given

A mobile dental unit, the first of its kind to be built, and said to be a complete dental office on wheels was last Friday presented to the Canadian Army Service Corps by Dr. C. Lloyd Jones of Grimsby. The presentation was made informally to Lieut.-Col. Harvey Bean of the Corps in Toronto.

The vehicle has been carefully planned to incorporate in it all the features which are called for in modern dental practice. Designed by officers of the Canadian Dental Corps and the engineers in charge of its construction, its design will become a standard after which other units will be patterned. It is intended that the vehicle will be able to follow troops or visit encampments of troops with a great saving of time and expense.

The completeness of the unit may be judged when it is known that its permanent operating room contains an x-ray camera and dark room, and laboratory. A generator supplies the power required to operate the various types of equipment common to a dentist's office. Filtered and purified water is carried, while air conditioning and a heating unit will make the vehicle comfortable in summer and winter.

Army officials consider that this dental unit is actually a fighting vehicle, for by it troops may be ministered to on the field. It is expected that such units will become regular parts of each battalion's accoutrement.

It is of interest to note that parts of this gift of a Grimsby man, were supplied by the Metal Craft Company.

Committee Gets Additional Names

Chamber Of Commerce Has Sent 58 Parcels Of Cigarettes Overseas — Co-operation Of Citizens Asked.

Fifty-eight parcels of cigarettes have now been sent forward to Grimsby boys serving overseas, by the Chamber of Commerce, from funds received in the little yellow boxes placed conveniently in business places in the town.

Since the last list was printed Mr. C. D. Millyard, who has been competently taking charge of the undertaking, reports that nine additional names have been brought to his attention. For this purpose the list held by the committee is being printed once again in the event some might not have seen it before and citizens are asked to co-operate by sending in any names of Grimsby boys whom they know are in service overseas in order to compile a complete list. The nine names added this week are Frank Barrick, Gordon Craig, Mac MacDougall, Joe Hand, Douglas Farrell, D. Lavis, R. G. Ballard, Leonard Milne and W. W. Green. (Continued on page 8)

LIONS CLUB ENTERTAINED 40 AIRMEN FROM DOWN UNDER

A tour of the Niagara Peninsula last Friday afternoon, which members of the Grimsby Lions Club made possible for some forty Australian and New Zealand airmen, proved to have been one of the most successful undertakings which the club has sponsored to date.

Leaving Grimsby at noon, the party of 10 cars picked the fliers up at Jarvis, and brought them back to Grimsby, where they witnessed the High School Cadet Corps inspection. At a tea which was served in the auditorium, Earl J. Marsh extended a welcome to the men on behalf of the Board of Education. Mr. Marsh was introduced to the men by Principal P. V. Smith, and just before leaving Sergeant David C. Sidney of Australia expressed the thanks of the visitors.

From Grimsby the cavalcade of motors went to the city of Niagara Falls, via No. 8 highway as far as Vineland, where they turned to the Queen Elizabeth Way. Traffic Officer Reilly led the parade, and he was assisted out of Grimsby by Officer Elmer Bowen.

ARP Drilled And Studied First Aid

A second lecture in first aid was given to the Grimsby Civilian Defence Committee (ARP) at its regular meeting last Monday night. The lecture, which was given by Dr. A. F. McIntyre, followed a brief period of drill in which the sixty-odd members present participated.

Two more lectures on first aid, dealing with the matter generally, are to be given to the whole ARP membership, and the medical group will, after that, be given a more intensive training through a series of five lectures.

L. A. Bromley, chairman of the local group, states that there are several vacancies in the five divisions of the Committee which are yet to be filled.

Declaring that arrangements were being completed to make a place for ladies in the organization, Mr. Bromley expressed the hope that every citizen would do his part.

"The government has said that it is up to every citizen to do his part," he commented yesterday. "President Roosevelt, in his broadcast Tuesday night said that the whole of the United States was to be trained in civilian defence work. If an emergency arises we will be far better off if we are trained and know what to do."

A map of the town and township is now being prepared. The district is to be divided into zones, each zone in charge of a deputy warden who will be responsible to the local headquarters.

Lack Of Rain Has Hit Niagara Fruit

Earlier Types Said To Have Been Reduced Due To Abnormal Dryness.

The long dry spell which has been experienced in this district has been playing havoc with cherries, strawberries, pears and other early fruit, according to growers. For some days there has been a heavy dropping of cherries which could not survive the heat, and every sign points to a light crop.

Though heavy rains early this morning seemed to have helped the situation insofar as later fruit is concerned, it is thought to have come too late to be of value to the cherry orchards. Rain was experienced in several parts of the province during the past week, and yesterday it was reported that Toronto had a particularly heavy downpour. Humidity and sustained heat locally is thought by many to have been the earliest here for many years.

Extensive plans which have been laid to date for the local observance of the floating of the largest bond issue ever offered Canadians call for some inspiring events in Grimsby.

The Loan opens on Monday, and on that very day a parade of some 45 vehicles will be seen in Grimsby. The parade, which is to be under the command of Major I. C. Ellward, D.S. and T.O., Military District No. 2 Headquarters, will include a band and some of the most elaborate floats which have ever been built in Canada. These floats, donated by several large business houses of the Dominion, are said to have cost upwards of \$500.00.

The parade is scheduled to arrive in Grimsby shortly after one o'clock, entering the town by way of Main St. W. It will proceed directly to Trinity Hall by way of Elizabeth St. and Adelaide, where lunch will be served by members of Trinity Service Club. Though the stop-over for the parade will be short, citizens will have an ample opportunity of inspecting the floats and various units of Canada's mechanized army at close range. Cadets of the Grimsby High School will act as a guard of honour for the one hundred and thirty-seven men in the parade.

This Monday's ceremony, with which the Victory Loan Drive will be inaugurated locally, is not the only method by which citizens will be reminded of the urgency of the appeal which their country is making. The huge thermometer which has been used to mark up the day-to-day results of former appeals is to be set up at the Post Office, where citizens may see the results of Grimsby's patriotic spirit.

The event with the most local participation, however, is the parade which is being arranged by Donald Awde and his parade committee to be held on Friday, June 6th. This parade, which is expected to include in its ranks representatives of all civic organizations, will wind up at the High School Grounds, where a brief but impressive service will be held. This service will be of a patriotic and interdenominational character. Highlights of the evening will be the presence of the float bearing the Victory Torch which is at present travelling through Canada. This torch, which will be in the Niagara Peninsula, will be brought to town with a police escort from St. Catharines along No. 8 Highway. Citizens are urged to see this inspiring float, bearing the great Torch which is to be sent to Great Britain for presentation to Prime Minister Winston Churchill as a symbol of Canada's determination to "furnish the tools". It is expected that a band will be in the parade. (Continued on page 8)

VICTORY LOAN 1941

To the People of Lincoln County:-

"GIVE US THE TOOLS AND WE WILL FINISH THE JOB"

These words of Britain's Prime Minister put the issue squarely up to us. We, the people of Lincoln County, can make our answer to that appeal. We know what the answer will be. It will give proof to the beleaguered people of Britain and to the barbarians opposing them that the cause of freedom has never appealed to a free people in vain, and that we value our free way of life highly enough to pay for it to the uttermost.

We must have planes, ships, tanks, guns and shells. The Dominion of Canada has undertaken to raise, by means of the Victory Loan 1941, the sum of \$600,000,000. Lincoln County's quota is \$4,200,000. The people of Lincoln County have never yet failed to pass their objective in any war campaign. The results of this campaign will show what a free and democratic people can do when called upon to meet a supreme issue. That is our job and each one of us must do his share to the utmost.

Everything possible has been done from an organization standpoint. It is now up to the individual subscriber to do his bit, no matter how small, no matter how large.

During the next three weeks we shall have the opportunity of proving that our love of freedom is no empty phrase and that we are prepared to lend our dollars to preserve that freedom. Let each one of us lend his last dollar to the greatest cause which man has been called upon to defend in the long history of his civilization.

HAROLD G. FOX,
Chairman, County of Lincoln,
Victory Loan Committee.

Buy Victory Bonds

Census Takers Set For Arduous Task

Nose Counters Have Been Specially Trained For Their Complicated Job.

Over twenty men and women of this district, including North Grimsby Township, Clinton Township, Grimsby proper, Beamsville, Jordan, Vineland and other points, are now fully qualified to carry out the tremendous task of conducting the ten year census.

Census Commissioner Fred Beatty of St. Catharines, and Harry Cavers also of the Garden City conducted a two day instruction class at the Beamsville High and Vocational School last week, following which the enumerators tried an extremely stiff examination which was held to determine their proficiency.

In a district such as Grimsby, where the foreign element is decidedly high, the task will probably be no easy one, but local men who have been picked for the job, expressed their belief, that most people of foreign birth were not as hard to question as many people of the English speaking race.

B. A. Smith and R. C. Bourne are the two men on whose shoulders rest the problem of taking an accurate and complete census of the Town of Grimsby. Although no date is definitely announced as yet, the job will begin during the first part of the month of June.

H. Fonger Resigns As Sup't Of C.A.S.

The resignation of H. Fonger, superintendent of the St. Catharines and Lincoln County Children's Aid Society for the past 10 years, has been received by Walter H. Sheppard, Queenston, President of the Society. The resignation went into effect last week.

Miss Elizabeth Gray, social service worker for the Society, will carry on the work temporarily.

Applications for the vacancy, advertised a week ago, are now in the hands of the Board of Directors and a new appointment will be considered this week.

FIRST CADET INSPECTION WAS HELD AT THE HIGH SCHOOL

Under the most ideal of weather conditions, the first annual inspection of the Grimsby High School Cadet Corps was held last Friday afternoon at the school grounds. Following a period of drill and a march past before him, Captain Bean of M. D. No. 2 complimented the boys on their showing. The corps, which was in charge of Donald Awde of the high school staff, have been drilling regularly for the past several months. Their uniforms, consisting of blue trousers, white shirts and red berets, proved entirely adequate for a smart showing. Though their ranks were considerably reduced due to the number of boys who have left school for summer work, the corps was able to muster nearly half a hundred boys.

The afternoon program also contained displays of signalling and girls physical culture. The girls were directed by Miss Hilda Rice. A special feature was the visit of the forty Australian and New Zealand airmen who stopped off at the school during their tour of the Niagara Peninsula as guests of the

Fire Losses Up Sharply

Fire losses in Grimsby and the Township of North Grimsby have shown a sharp increase during the first five months of 1941 as compared to 1940, according to records at the town office.

From January to May, 1940, the loss was \$1,343, while for the same months this year, it amounted to \$10,045. Fires during this period last year totalled 13, while the total for this year was just three above that figure.

Thus, with an average of slightly more than one extra fire for every two months, the fire loss has increased from an average of slightly over \$268 to \$2,008 per month.

Fire Chief Alfred LePage has issued a sharp warning to motorists who have been in the habit of following the fire engines to fires and parking their cars where they constitute a definite traffic blockade. He stated that this was particularly noticeable on the last occasion when the department was called out. Last Thursday, while dealing with a fire at the residence of John Cole on Baker's side road many motorists completely filled the road and some had to be ordered away.

"Motorists might not know it, but they are breaking the law when they leave their cars in positions like that. I don't know what would have happened if there had been another fire right after that one. If this sort of thing is not stopped, there will be summonses issued. We have a job to do and we are going to do it without hindrance."

Merchants' Draw Starts Saturday

By popular request, the merchants of Grimsby have again arranged for a series of the Saturday night draws.

These draws provide an opportunity for the purchaser who shops in Grimsby on Saturday, to benefit by the weekly prize list.

It costs nothing—the prizes are quite worth while—six people have to win each week—you may as well profit from this, as anyone else. Moreover, you choose the prize, the vouchers ensure that you will receive a prize you can use.

So come to Grimsby each Saturday, bring your shopping list and purchase your needs conveniently, then put your name on the coupons provided by the stores. These will be gathered at 10.15 p.m. and the draw completed on Main Street at the Post Office. When your name is called, you will receive a voucher. This voucher can be exchanged for goods (to the value of the voucher) at any member's store. You can't lose—you're sure to win sooner or later. Remember, ask for your coupons, sign them and deposit in the coupon-box provided.

The advertisements on pages 2 and 3 contain only a few of the many bargains to be had on the weekend.

Grimsby Lions Club.

Inside the school an interesting display of Junior Red Cross work was to be seen, while tea was served in the auditorium. A large group of friends and relatives, as well as several members of the Grimsby Board of Education, were on hand to enjoy the program which had been arranged.

In the evening an amateur contest preceded a dance held in the gymnasium by the Student's Council. First prize in the contest went to Eleanor Dymond for a superb performance on the piano. A take-off on Romeo and Juliet by Connie De Laplant, Louise Buckenham, Jane Dulmage, Eleanor Dymond and Virginia Hewson was good enough for second choice, while a group of dancers trained by Miss Rice took third place. Prizes, consisting of war savings stamps, were presented by Earl Marsh, chairman of the Board of Education.

While on the platform, Mr. Marsh took the opportunity of congratulating all who had part in the (Continued on page 8)

A GRIM PICTURE

Events of the past two weeks have come to many the serious extent of now facing the British Empire. High intelligent newspaper readers dared to foretell are coming to pass and that leaves them gasping. The round the shores of the Mediterranean in the islands of that sea indicate the major danger spot of the war, but it only shows the most dangerous of the vast landscape of the

immense whole of the landscape grasped in one searching sweep of a look around would show but the positions which we know to be taking more penetrating look would show undersurface actions which are, stealth, bribery and blackmailing in, being brought upon the world. To see the whole picture properly, one of Hardy's "The Dynasts" would be called. He, through the supernatural which his author gave him, could see the whole world.

Hardy find, in the Atlantic, that the war is being brought closer to the west-sphere than many believe. He has a tremendous "behind-the-scenes" power politics in the Far East, with as the goal. He would find that for Crete was but the first stage of the Mediterranean, and he understands why so many crack troops sacrificed to take that island. He is able to see the completed plans for a crashing advance into Egypt the southward route to Suez was.

He would also see the march main Suez advance got under way. spirit of Hardy's would be able to complicated pattern of intrigue French state, where traitors and s are debasing a race of former which that they have become a part of the German war, ceding Syria to Baghdad, ceding material sent in her hour of need by generous other lands to German overlords, their honour in the hope that, if Germany should be fortunate win the vast struggle which now they will occupy positions of the so-called New Order.

He would also see other things. He would see a growing and determined people with inferior equipment, separately to stave off disaster unless as they are able to take hold of it. He would see a growing their hearts, strengthened by the has been heard often in the past, spoke with such telling effect last evening. He would hear the heart of millions of free people all over the world, the war drums with ever-increasing intensity as they gird themselves for the encounter in all parts of the world, and preparing for unprecipitated sacrifices.

He would see the spirit, which Hardy inspired, tell the epic story of his war were at large in the world today. He would see the future truly, would be Herr Hitler and his satellites would strike mortal terror into the hearts of the world. He is not at large, however, and he has set out to rule the world by force, bribery and outright war. He would find these things out by his own experience.

VICTORY LOAN WORKERS BUSY

The publicity in connection with the forthcoming Victory Loan is being handled on a nation wide scale and will be the largest campaign ever inaugurated in the Dominion. The Dominion Government advertisements in the press have started already and will continue throughout the period of the Loan. A special Victory Loan radio programme will be a feature of each Friday evening over the stations of CBC and in addition there will be daily programmes directed especially to housewives.

In the County of Lincoln, Publicity Committees have been formed in St. Catharines, Port Dalhousie, Niagara-on-the-Lake, Merriton, Beamsville, Grimsby and Smithville, as well as, the Townships of Caistor, Gainsboro, North and South Grimsby, Clinton, Louth, Grantham and Niagara. These local Committees are operating in conjunction with the County Publicity Committee under the Chairmanship of Mr. H. B. Burgoyne and Vice-Chairmanship of Mr. E. T. Sandell. Councillor James W. Baker heads the Grimsby committee. Each committee is now busily engaged in planning how best to drive home the need of making this Loan a success. From advice received from local committees at County Headquarters in St. Catharines to date, it seems certain that no stone is being left unturned in the efforts of all these Committees to emphasize the idea that this Victory Loan must be an unqualified success.

THE LOSS OF H.M.S. HOOD

Suppose, for a minute, that the hand of the grim reaper were to strike in this district on a scale which is quite impossible. Suppose that every man, from eighteen years of age and up, in Grimsby and North Grimsby Township, were to be killed. Imagine the number of fatherless families which would be left without support. Think of the number of homes in which the disaster would be felt in all its horror. Think of the farms and stores and factories left untenanted.

The picture is overwhelming. It staggers our imagination. But no less men were lost when H.M.S. Hood was struck and sent to the bottom of the Atlantic Ocean. Comparisons are odious, but in this case they serve to emphasize and make us appreciate the great loss which the Empire has suffered in the sinking of the world's greatest fighting ship. The death of over thirteen hundred men removes vast naval experience which could not be replaced immediately. There is no point in trying to look at the disaster as of slighter consequence than it is, it can't be done properly.

There are some in Grimsby who were in Victoria, British Columbia, in 1924, when the mighty ship, accompanied by H.M.S. Repulse, called there for a few days visit. The breathtaking size of the ship, as she tied up to one of the few ports in the world which would accommodate her, was overwhelming. The courtesy of the officers and men, who were justly proud of the great ship which they manned, will be remembered by those fortunate enough to have been allowed to board her. The mighty sound of her sirens, which were said to carry one hundred and forty miles, yet which did not deafen a single person standing on her decks, or along the docks at which she was moored, will never be forgotten.

Nor will little touches of seamanship be forgotten. Setting out early one morning, the gigantic monster of the deep had to pull up and wait while a small fishing schooner, which she outweighed nearly fifty thousand times, passed under her bow. The rules of the sea giving sailing craft the right of way, and there was a courtesy dipping of the colours to the insignificant little ship which brought an immediate flutter from the little mast which barely reached to the anchor eyes of the battleship.

Another picture that will stay with those who saw the Hood on that occasion was the manner in which she was brought into harbour. Sailing full steam, her sharp prow turning two furrows of churning white water on each side, she came on towards the concrete pier at a speed which forced the large crowd to pull back. When a crash seemed imminent, the motors were thrown into reverse, and the ship pulled hard to her side, floating quietly to her place at the dock's side without the aid of tugs. It was a superb display of seamanship which will not be forgotten by any who were fortunate enough to witness it.

GREAT BRITAIN UNDER FIRE

Letters From Various Parts of The British Isles Written By Men And Women Who Are Today Living And Working At The Front Line of Democracy.

(Readers who have letters from overseas which would be of interest are invited to share them with readers of The Grimsby Independent. Care will be taken to see that personal items are deleted).

London.

Once upon a time a story was told of one Good Samaritan: well, I know where they are bred in numbers — down in the London tubes. Folks lend each other pennies if they have no change, or borrow each other's cups without the slightest controversy.

The canteen workers sleep on inflated rubber beds, and usually find a Good Samaritan to blow up their beds for them each night. Also the police act the role in putting on the heat for the urns in the small hours of the morning for the girls, and again another anonymous Good Samaritan turns it on in the afternoon for them, so that the water is hot for them when they come on duty. The tube is full of these angels in wingless uniforms. Christmas is a daily habit, and loving thy neighbour an unwritten code.

I was looking at a snap album of a Belgian refugee and I asked him if one snap he had was Kew Gardens; he told me it was his own garden of the house he left in Brussels (the enemy were in it now, of course); a simply gorgeous garden with a beautiful villa in its midst. And there are Maltese and "Gibbs" (evacuees from Gibraltar) and French, Dutch Norwegians. They are all down here and thank God from the bottom of their hearts for the sanctuary.

No wonder Londoners and all England stick it out when they hear the story of these Europeans told quietly across the bedding without any dramatic emphasis. The constant expectation of night raids keeps people out of the pubs more, and prevents their leaving their children on the step in the cold while they play darts or checkers all evening, as used to be a frequent habit with a certain type.

Manchester.

I have been transferred from Maidenhead to Manchester. (Three lines censored). Last night we had the worst raid here since the war began. Most of the bombing around here has been at Liverpool. It wasn't so awfully bad. I slept right through the whole thing with the exception of being awakened twice by an anti-aircraft gun which sounded as though it was directly under my window.

I have purchased an automobile. It is one of those little English cars, a funny little fellow. It will hold only two people, but it will serve to get me around the countryside. There are no sign posts now at all. It is almost impossible to know where you are, and as you know, the whole of England is a maze of roads. If you stop to ask where you are, many people eye you with suspicion. As a consequence, I get lost a great number of times.

Ilford, Essex.

We have had a lot of bombs in Ilford, and they have done extensive damage. It is so sad for the homeless who have lost everything, but even they are 100 times better than the oppressed people in Europe. We are all carrying on and would like to thank you and everyone for all you are doing to help us win this war. Rossett, Denbighshire.

One of the most trying things is the sound of German planes cruising overhead and we have had many nights when for hours we have never been out of the sound of a Nazi plane or bombs or guns for more than a minute or two at a time. Of course everyone thinks that the plane is just over his head and is just about to jettison its load.

Luxury articles are disappearing from the shops. No silk stockings will be supplied from now on in the shops, except that we are told that a few pairs will be sold as great luxuries at two guineas a pair. Everyone is wearing woollen or lisle thread stockings, which, after all, are more sensible in the winter. There will be very few cosmetics sold, and they will be very expensive. But that won't worry me. As long as I can get soap and tooth paste I shall be quite happy. We are supposed to make our clothes last as long as we can, and not buy anything but necessities, to avoid inflation. Of course, everything has increased in price and now we have the purchase tax on nearly everything. Food has gone up too, but essential foods are controlled in price.

Lolworth, Dorset.

If you were here you would be proud of your countrymen: as a man said to me the other day, "You women are simply wonderful." Well, old dear, as a shopkeeper I see many types, but not one in a hundred gets "windy". They just come along laughing after a raid and "all clear" has been given, and want to be served quickly in case another warning goes off before they've been able to do all their shopping.

Even our dog knows when the warning goes off and gets ready to go down. Some things are short: the most noticeable just lately, I think, is eggs, but we just get used to substitutes and appreciate a real egg when we get it. There is no doubt about the rationing system being very right, because everyone gets a just share instead of greedy ones getting a lot and others not enough. But, Mary dear, we are all quite sure of victory, and we never want to call a halt. We want to see Hitler beaten, and we shall.

Spring Exams Are Being Written Now

Tomorrow (Friday), the last of the examinations which have been occupying the time of Grimsby High School Students throughout the week will be finished. Those who are trying their junior matriculation will, by their showing in these examinations, have an opportunity of making the grade without recourse to departmental examinations, while those writing their senior matriculation in the latter part of next month will find that a good showing made in these examinations, which will be considered with the year's work, may have a bearing on one or two subjects that might be missed by but a few marks.

Other students of the high school will be trying these tests for promotion to the next grade.

The prescribed courses of study are now practically finished, and the remainder of the school year will be spent in revision and review work for those trying their matriculation. It is expected that several of the junior matriculation candidates will be leaving the school for jobs as soon as they know whether or not they will have to try the provincial examinations next month.

ELECTED TO EXECUTIVE

At the convention of the Optometrical Association of Ontario held at the General Brock Hotel in Niagara Falls last week, Mr. Vernon Tuck, local optometrist, was elected to the executive council. This will make the third consecutive term that Mr. Tuck will have served on the council.

THIRTY MOUNTAIN

Irving Carson of the L. A. C. Mount Hope, spent Saturday evening with his parents, Mr. and Mrs. W. J. Carson.

Mr. and Mrs. Black and daughter of Kitchener, and Mr. Bowman of West Montrose spent the weekend with Mr. and Mrs. Joe Soby.

Miss Glennis Taylor of Woodstock is spending a couple of weeks with her sister, Mrs. H. Lounsbury.

Miss Reta Walters, Grimsby Beach and Ray Wilcox of St. Catharines, spent Sunday with Mr. and Mrs. Wm. Vail.

Mr. and Mrs. Colin Aston and Margaret and Ruth of Toronto spent Sunday with Mr. and Mrs. Wm. Aston, Sr.

Mr. and Mrs. H. Franklin and Ruth and Mrs. J. McCrea of St. Catharines and Miss Dunford, Hamilton spent Saturday with Mr. and Mrs. H. Aston.

V. Barrick and Mary, and F. Hurst spent Sunday in Burnaby visiting the former's mother.

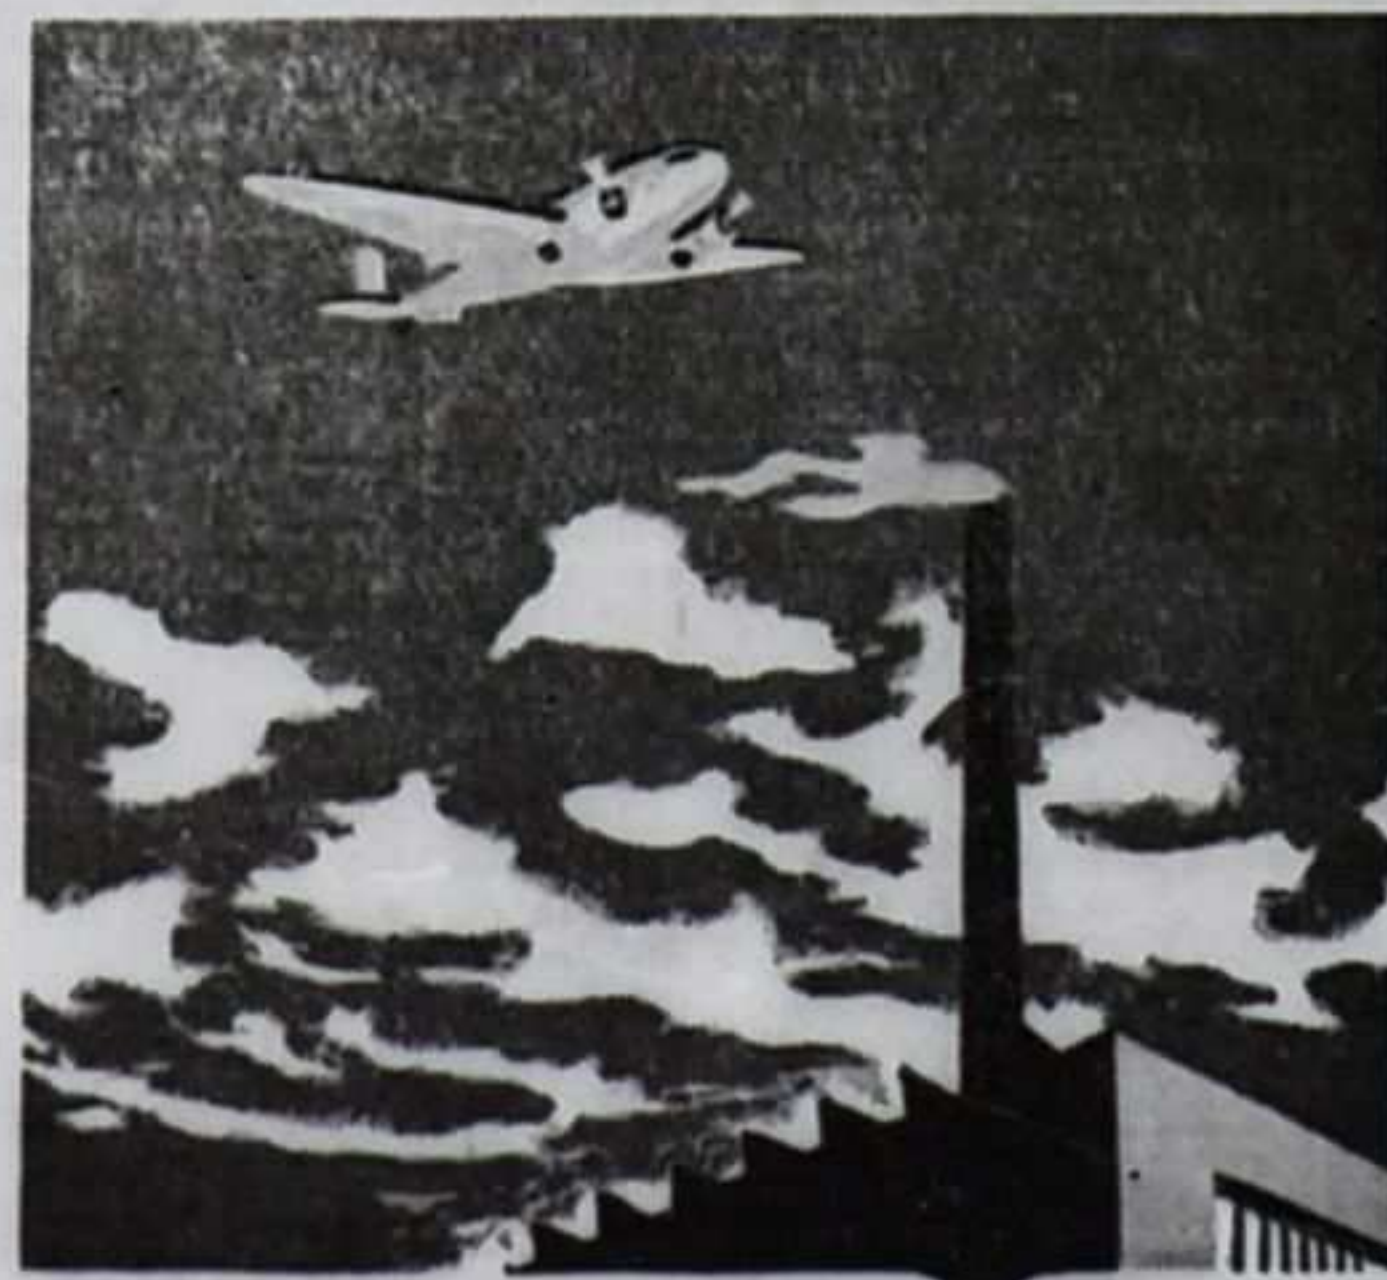

Mrs. Roy Lounsbury and Mrs. Mahoney of Niagara Falls, N.Y., called on Mr. and Mrs. H. Lounsbury, Monday.

Mr. and Mrs. Lloyd Hurst and Grace and Frances of Liverpool spent the weekend with his mother.

Mrs. Hugh Lounsbury and daughter, Mary Catharine, returned home Thursday evening after a short stay with Mrs. Wm. Kemp, Grimsby.

Thrift

GIVES CANADA WINGS

What can you do to provide the planes, to train and equip our airmen for battle?

You can provide the money, by watching every penny you spend, by saving all you can. Personal thrift is vitally necessary now. Every dollar you can spare is needed for Canada's War effort. Buy Victory Bonds and War Savings Certificates. Build up your savings account. Set aside some money each month to meet the war taxes which must be paid later. We have a job on our hands. Let's finish it.

► This book will help you save. The Royal Bank Family Budget Book shows you how to budget your income, how to save by planned spending. Ask for a free copy at your nearest branch.

Report Excellent Weekend Fishing

A party of ten fishermen from Grimsby and Vineland enjoyed a successful outing in the North Bay District over the holiday weekend.

Two hundred pounds of fish, including 100 pickerel, and 25 pike constituted the catch made by the party, including C. H. Rushton, C. H. McNinch, W. McPherson, Shaw Harris and C. Clattenburg, from Grimsby and E. Fretz, M. Fretz, George Fretz, J. Smith and Roy Follick of Vineland.

A nice catch of pike was reported by Messrs. R. H. St. John, O. Shaw, W. St. John and W. Sullivan when they returned Sunday night after a weekend of fishing at Port Severn.

Miss Fay Bamber spent the weekend at her home in Belleville.

I.O.D.E.

Business Meeting

The May business meeting of the Lincoln Loyalist Chapter, Imperial Order Daughters of the Empire met in the Chapter rooms on Monday afternoon, the regent, Mrs. R. N. Wolfenden, presiding.

An inspiring five-minute talk on the coming Victory Loan was given by Rev. I. Lamb, of Merriton.

The War Service Committee reported 20 recruit boxes had been given out during the month and 668 magazines were forwarded to headquarters. The Committee asked members to save all used leather, kid or felt articles as these are suitable for use in making jackets for sailors. The Committee also stated that donations of new blankets, new clothing and new or used books are still being accepted at the Imperial Oil Station, operated by Mr. Godfrey Heathcote, Main Street, West.

Mrs. Frank Miller, was appointed convenor to take charge of the Red Cross booth in Municipal Park which will be operated for one week, commencing June 30th, by the Chapter.

It was announced that Literary and Bridge meetings would be held during the coming month, and the next business meeting would be held on Monday, June 23rd.

At the regular time and at a week or ten days later, second way to extend the season of really fresh vegetables is to more different types. In practically every line it is now possible to get an early, medium and late sowing sort. By sowing all these, one automatically extends the harvesting season. Corn offers excellent example. A few years there was only one Golden Bantam type. Now one can get a stem type that matures a week or so ahead of the average and it also possible to get a late kind, using all three, and in addition sowing from the earliest possible date to on in July, the season of harvesting is extended in proportion.

Spacing

In planting flower and vegetable seed spacing is important as even an enthusiast does not care to spend much time kneeling and thinning. Labor can be saved by sowing too thickly. Corn, beans, peas and similar plants with big seeds can easily be sown at the distances advocated on the packet. With tiny seeded lettuce, alyssum or poppies, however, it is practically impossible to space by hand but if the seed is first mixed with a little

street, Mrs. Bonham and Miss Jessie Mowat are to be commended on the fine showing which the Guides made.

The teachers of Grades 7 and 8 in each of the 8 schools under the jurisdiction of Lena Davis Chapter were given a pamphlet for each entitled "A Primer on Demo-

Miss Gertrude Felker, of Toronto, Mrs. William McCabe and Mrs. L. LePage, of Hamilton spent the holiday weekend with Mrs. P. Felker, Oak Street.

SOCIAL AND PERSONAL

Misses Ethel and Violet Softley are visiting in Leamington.

Messrs. Ron Laskey and "Bus" McBride visited in Toronto over the weekend.

Mr. and Mrs. O. M. Pettit have been spending a few days this week in Waterford.

Mr. J. Currie Flett, of Buffalo, is visiting at the home of Miss Janet Flett, Main Street, West.

Mrs. Orville Tuck, of Smithville spent the weekend with her mother, Mrs. Peter Felker, Oak St.

Mr. Clarence Fleming, manager of the Dominion Stores, spent the weekend at his home in Hagersville.

Mrs. Strachan McCaskill returned on Monday after spending a week with friends at the Cordova Mines.

Mr. and Mrs. W. C. Morrison, of Toronto, spent the holiday weekend with Miss Janet Flett, Main St., West.

Mr. and Mrs. Alvin Wolford, and friends, of Ridgway, Penn., visited with relatives in Grimsby over the weekend.

Miss Margaret Schott of Niagara Falls visited with her grandmother, Mrs. Margaret Hurst over the weekend.

Misses Helen Fletcher, Mary Irvine, Margaret Rowe and Phyllis Dunham spent the holiday weekend in Toronto.

Acting Sgt. Major Hugh L. Thompson, of Montreal, spent the latter part of last week at his home in Grimsby.

Mr. and Mrs. Alex Coyne of Brampton spent Sunday at the home of Mr. and Mrs. Russell Terry, Nelles Blvd.

Mrs. B. Hopkins and Miss Louise Hopkins, of Hamilton, spent the holiday weekend with Mrs. John Tennant, Gibson Avenue.

Pte. Acheson Copeland, Irish Regiment of Canada (Kilties) was in Grimsby on Tuesday last visiting relatives and friends.

Mr. and Mrs. Lloyd Haines, of Welland, spent the weekend with Mrs. Haines' parents, Mr. and Mrs. William Allen, John Street.

Mr. Owen Patterson, son of Mr. and Mrs. E. U. Patterson, Main Street, East, is undergoing training for two weeks at Thames Valley camp in London, Ontario.

Mr. and Mrs. Robert Thomson of New Zealand, who are on a tour of Canada and the United States, visited over the weekend with the former's uncle and aunt, Mr. and Mrs. G. M. Beamer.

Mrs. J. B. Graham left on Monday for Winnipeg, after spending the past few weeks at the Village Inn. Mrs. B. W. Graham accompanied her on her return and will be away for a couple of weeks.

Miss Ann Spalding and Miss Ellen Snyder, of Preston, Miss Betty Chadwick, of Toronto, and Mr. Harry McCaskill, of Toronto, were holiday weekend visitors with Mr. and Mrs. R. F. Hitchman, Robinson Street, North.

Sergeant Inst. Andrew Stevenson, P.E., of the Canadian Small Arms Training Center, Long Branch, and Mrs. Stevenson, attended the Bradbury-Candlish wedding reception at the "Corner House" at Hamilton, on Saturday, May 24th.

Mrs. Lloyd Jones Renews Friendship

Mrs. Lloyd Jones had pleasure in renewing the acquaintance of Miss Mary Ogilvie, who participated in the initiation ceremony of the Brownies on Tuesday afternoon.

Mrs. Jones recalled her boat trip with Dr. Jones to England in 1937 to the Coronation of their majesties, King George and Queen Elizabeth.

Mrs. G. A. Heather of the Dominion Council of the Girl Guides' Association who was a fellow-passenger, and Mrs. Jones were requested by the Captain of the boat, C. E. Davis, to act as official hostesses to a group of Girl Guides who were crossing at the same time under the supervision of Miss Ogilvie. Miss Ogilvie's puppet show, said Mrs. Jones was a highlight in the entertainment staged during the crossing.

At Tuesday's ceremony Mrs. Jones had the opportunity of reminiscing with Miss Ogilvie on their trip abroad.

Mr. and Mrs. L. McMane, Murray Street, spent the weekend at Listowel.

Mr. and Mrs. E. C. Bernardo and son, Clifford, spent the weekend at Port Loring.

Mr. and Mrs. J. Thompson of Windsor visited with relatives in town over the weekend.

Mr. and Mrs. Reginald Clark spent the weekend with the former's parents at Collingwood.

Mr. and Mrs. Harry Collins of Hamilton spent the weekend with Mr. and Mrs. Clarence Shelton.

Mr. and Mrs. J. Thomas Gammage visited at Niagara Falls and Port Robinson over the weekend.

Mr. and Mrs. E. Walters of Niagara Falls, visited with Mrs. Margaret Hurst, Oak Street, on Sunday.

Mr. and Mrs. H. B. Metcalfe and family spent the weekend at their cottage on Lake Erie, near Dunnville.

Mr. and Mrs. Harvey Schott of Niagara Falls, spent Sunday at the home of Mrs. Annie Phipps, Ontario Street.

Mr. Glen Pettit of Lefroy, Ontario, spent the holiday weekend with his parents, Mr. and Mrs. O. M. Pettit, Ontario Street.

Mr. and Mrs. Harry Marsh and son, Norton, of Hamilton, are spending a week's holidays with Mr. and Mrs. A. P. Norton, Ontario Street.

Friends in the district of G. Gayman of Vineland will be pleased to learn that he has been successful in obtaining his final year's examinations in the Faculty of Medicine at the University of Toronto.

Rebekahs Play Court Whist

At the close of the regular meeting of Alexina Rebekah Lodge, No. 267, Tuesday evening, the members and their friends enjoyed a game of Court Whist. Mrs. G. W. Crittenden won the first prize and Mrs. Lloyd Pettit, the consolation prize.

Mrs. D. Cloughley and Mrs. A. MacGowan, the hostesses for the social portion of the evening, served lunch at the conclusion of play.

Initiation Of Twelve Brownies

Twelve Brownies found their way into fairyland on Tuesday afternoon, and were welcomed by their older Brownie sisters who had won the way there before them.

The setting, as was right for fairyland, was a magic forest, set about with trees and gay with flowers, among which frolicked the gnomes, elves, sprites and leprechauns who are the Brownies' playmates. All winter the Brown Owl, (Mrs. J. T. Gammage), and the Tawny Owl, (Miss Kay Snet-singer), had worked to prepare the Brownies for this great occasion by training them to live up to the Brownie motto "Land a Hand" and the Brownie law: "A brownie always gives in to the older people, a Brownie never gives in to herself."

The Girl Guide committee were present including Mrs. R. N. Wolfenden, Mrs. K. C. Baxter, Mrs. Lloyd Jones and Mrs. G. A. Sinclair. Mothers came to share in their children's initiation. Two former Brown Owls, Mrs. A. A. Young and Miss Ruth Walker also attended.

The enrolment was conducted by Miss Mary Ogilvie, Blue Cord Diploma Guide, as each Brownie-to-be was presented to her by the Brown Owl. Songs and dances followed, illustrative of Brownie work and Miss Ogilvie told a story while the Brownies were having an 'al fresco' meal under a maple tree.

Miss Ogilvie addressed the mothers on the value of the Brownie training and begged for co-operation from the home. Finally the children made a ring around the toad-stool which stood in all its summer bravery, of tree and flower and fairies, all brought into being by a former Tawny Owl, Miss Jean Pettit.

The National Anthem was sung, then Brownie 'Taps' and then "Good-Night Brownies" and softly the Brownies slipped away back to the work-a-day world of reality, there to put into practice their Brownie lore, and fairy-land was left empty behind them.

ATTEND PARADE

West Lincoln Branch, Canadian Legion, B.E.S.L., attended the evening service in Trinity United Church, Beamsville, last Sunday.

At Moore's Theatre

Followers of the crime-solving activities of Leslie Charteris' "Saint" will find his film adventures in California's desert playground in the picture "The Saint in Palm Springs", coming to Moore's Theatre on June 4th and 5th, measuring up to the same high standards which were to be found in the series' previous chapters. George Sanders again is cast in the title role of the debonair and slightly sinister criminologist who captures crooks and hearts with equal ease. The plot revolves around three extremely valuable postage stamps which were smuggled out of a foreign nation as the only means through which a fortune could be brought to America. Their custodian is murdered in New York and the Saint accepts the commission to deliver them to their rightful owner (Wendy Barrie) in Palm Springs. From then on it is a Button-Button-Who's-Got-the-Button procedure, with a gang of crooks representing the foreign power trying everything—including two more murders—to steal the documents from whomever happens to have them at the moment. Paul Guilfoyle, Jonathan Hale, Linda Hayes, Ferris Taylor and Harry Shannon make an adequate supporting cast.

KINGS EXTEND THEIR WINNING STREAK — WIN TWO GAMES

Locals Find Little Opposition As Yet From Hamilton Teams And Win Games Easily — Game Rained Out.

The Grimsby Peach Kings continue to pound anything the fair city of Hamilton has to offer by way of ball teams in the F. & S. league all over the proverbial lot, and we are beginning to wonder if the Kings are not going to set a new record for a continuous streak of wins.

Naturally our enthusiasm may just be a bit high, for after all there have been only three league games, and one of these was rained out and will be played on June 13th, but the calibre of the Hamilton entries thus far has fallen far short of the standard of the Kings.

However to get back to actual play, we find that a three inning affair with Stanley Works last Thursday, which was rained out, had all the car marks of another swamping victory for the locals. The score in the last of the third showed Grimsby with seven runs, five hits and no errors, while the boys from de works had to their credit, three runs, five hits, and one error. There were two home runs, one by Fox with two on, and a four bagger for Leonard, of Hamilton, with one on.

On Tuesday night, Sovereign Potters were easy prey for the Kings, coming out on the short end of a ten to one score. This little picnic was staged in Hamilton.

Tufford on the mound for Grimsby pitched really super ball, holding the Potters to four hits in a full nine inning game. Mister Tufford's efforts thus far in the campaign have lacked practically nothing, and should he continue to throw 'em in there as he has so far, why right there, my good readers, you have another reason why the Kings are likely to stage a perpetual blitzkrieg all season.

An error by Jerry McGregor in the third inning, gave the Hamilton nine their only run of the game, and three errors by the Hamilton infield helped the Grimsby cause along to their sweeping victory.

Ham Fox and Gregory for the Kings each clouted the pill for a four base non-stop trip, Fox's homer coming in the third with two on, and Gregory in the ninth with the bases vacant.

For a quick summary: Batteries . . . For Grimsby, Tufford and Schwab. Sovereign Potters, Carloni and Contardy.

Grimsby—10 runs, 9 hits and 2 errors.

Hamilton—1 run, 4 hits, and 3 errors.

That about covers the world of sport about these parts for this week but we do want to draw your attention to a story which will appear on the sport page of our next issue.

It concerns the baseball, hockey

Kings Win From National Steel Car

The local softball team proved themselves to be able to keep pace with much faster company than the F. & S. League when they handed the National Steel Car senior aggregation of the Hamilton senior loop, a 7-4 defeat in an exhibition tilt at the Public School Grounds last night. Don Scott on the mound for the Kings held the visitors well in hand and the fine support in the field proved too much for the Hamilton squad.

A good man is kinder to his enemy than bad men are to their friends.—Bishop Hall.

Golf

The fine weather over the holiday weekend and the splendid condition of the greens enticed many golfers to the Grimsby Golf Club, where both the clubhouse and the course were hives of activity.

A two-ball foursome on the 24th resulted in Mr. Clinton and Mrs. Goldsboro taking first place, followed by Dr. Wray and Mrs. Kelterborn for second. Mr. Murray and Mrs. Hays were in third place and Mr. Miller and Mrs. Evans fourth.

Saturday night dancing throughout the summer will soon be underway, with the opening to take place on June 7th. Through the generosity of the management one

CALL TO ADVENTURE IN CANADIAN TRIPS

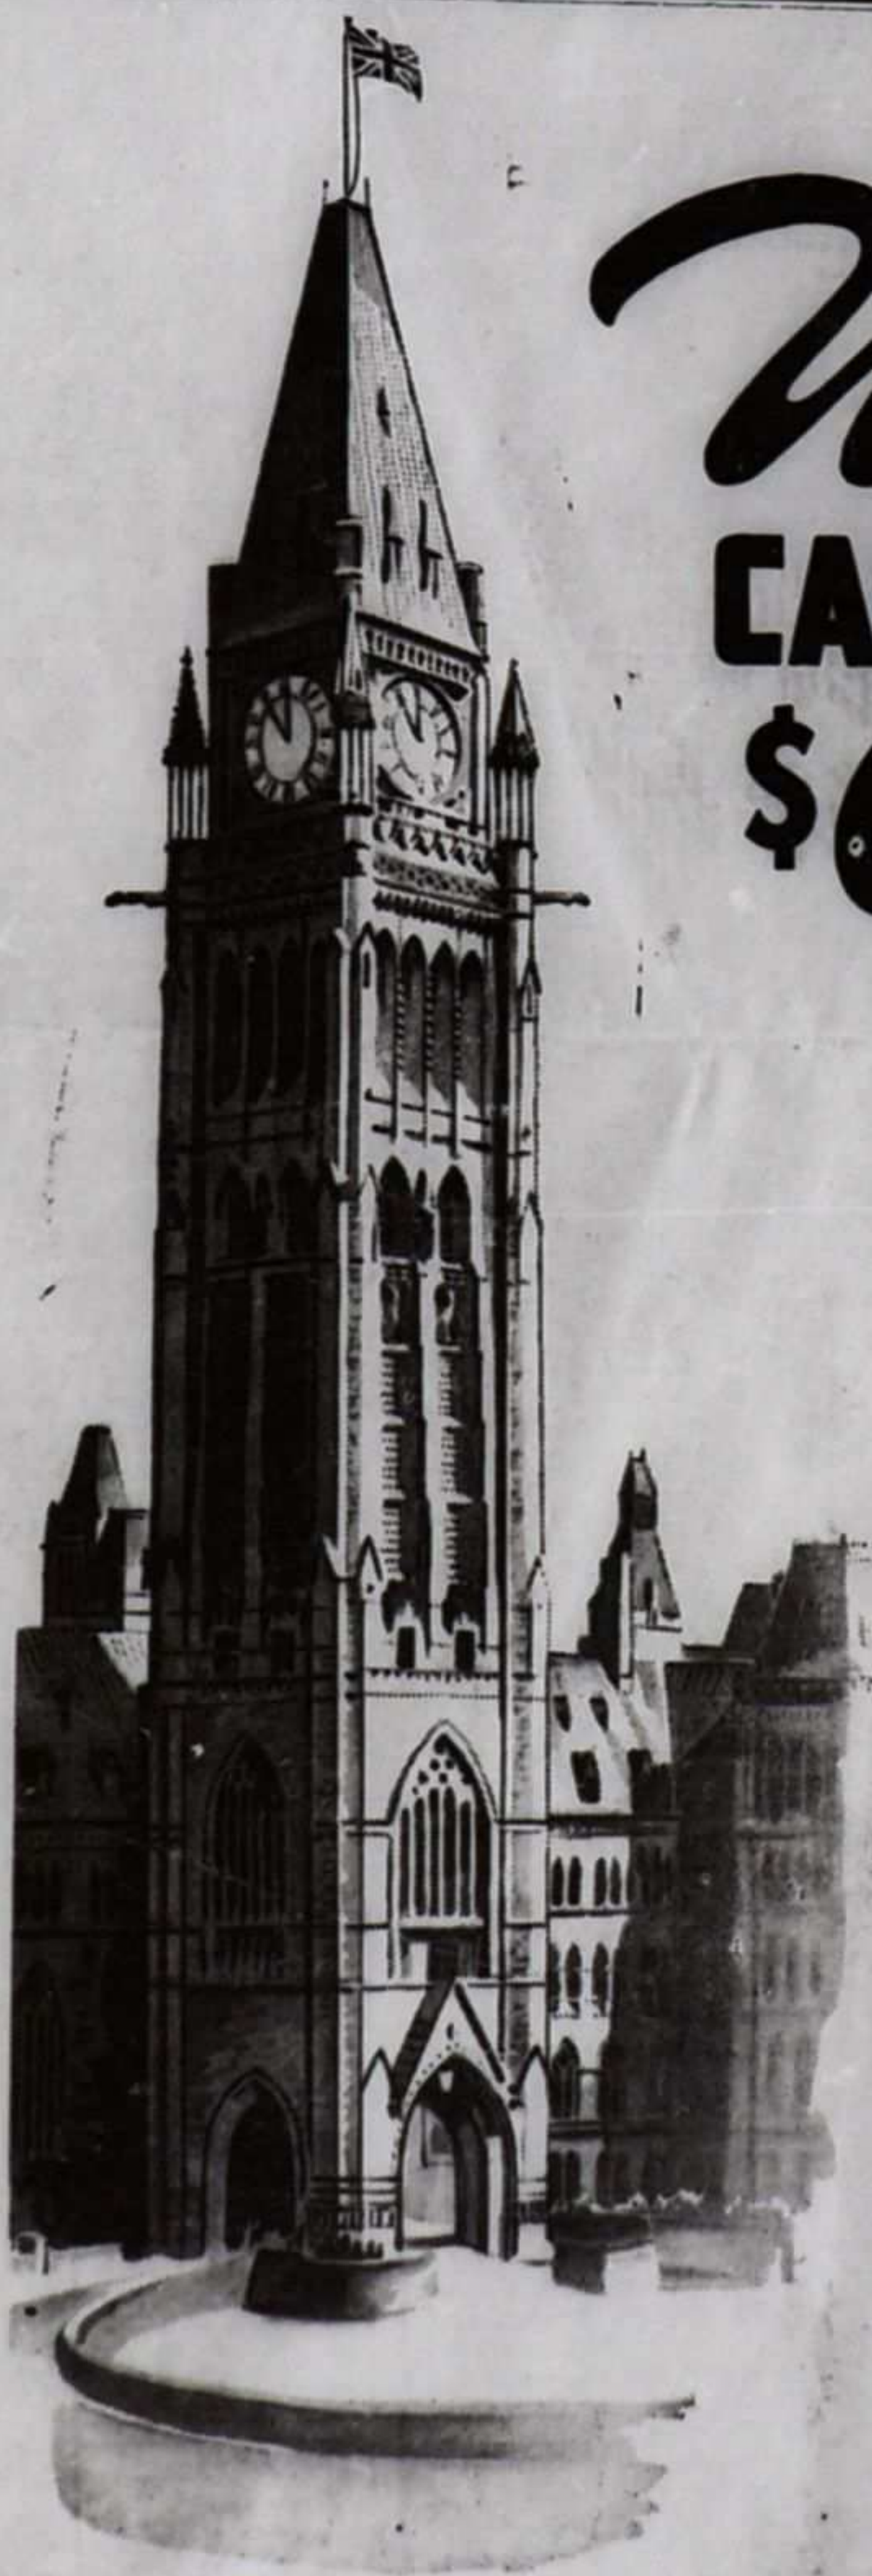

In contrast to "tailor made tours" where an exact schedule and timetable must be followed, the Canadian National Railways Tourist Department has charted 55 canoe trips on lakes and rivers in eight provinces. Beginning with a pleasant jaunt of 60 miles on a placid Eastern stream, these trips gradually step up in distance and difficulty to a 750 mile adventure down the Berens and Severn Rivers to reach Hudson Bay.

half of the proceeds from the first dance on June 7th will be presented to the Red Cross Society with the balance being turned over to the White Elephant Shop.

WASTE PAPER SALVAGE INSULATES BUILDING

Yielding its contents nightly every waste paper basket in Canadian National Railways offices throughout the System has for years played its part in the company salvage campaign which produces a monthly average of 46 tons of material. In twelve months 552 tons of otherwise waste was baled

Spring Exams Are Being Written Now

Tomorrow (Friday), the last of the examinations which have been occupying the time of Grimsby High School Students throughout the week will be finished. Those who are trying their junior matriculation will, by their showing in these examinations, have an opportunity of making the grade without recourse to departmental examinations, while those writing their senior matriculation in the latter part of next month will find at a good showing made in these examinations, which will be considered with the year's work, may have a bearing on one or two subjects that might be missed by but a few marks.

Other students of the high school will be trying these tests for promotion to the next grade.

The prescribed courses of study are now practically finished, and the remainder of the school year will be spent in revision and review work for those trying their matriculation. It is expected that several of the junior matriculation candidates will be leaving the school for jobs as soon as they know whether or not they will have to try the provincial examinations next month.

In money alone, this war has cost Canada in round figures, \$600,000,000. That is three and a half times the daily cost of the last war. This cost is much more because it is a battle of giant, swift machines . . . as well as of men. And to build other than the very best machines would be futile. They must be worthy of our men.

Canada dare not . . . and will not . . . sacrifice men for lack in quality or quantity of fighting machines. Hence we must produce them on a scale hitherto undreamed of.

To do this, Canada needs now to borrow from her citizens at least \$600,000,000 in addition to the revenue raised by taxes. To obtain this money Canada will on June 2nd offer Victory Bonds.

Fortunately, Canadians have the money to buy these Victory Bonds. This is shown by a greatly expanded

and by record savings

who has savings or who wants out of wages or income will invest in Victory Bonds, the Loan will be quickly subscribed. But the wholehearted support of every citizen is necessary.

What Canadians have done before, Canadians can and will do again. Our population was less than nine millions in 1918 and 1919. Yet in November, 1918, our people invested \$616,000,000 in Victory Bonds. Eleven months later, in October, 1919, they invested \$572,000,000. The total subscribed for Victory Bonds in those two loans was \$1,188,000,000. This year, with our population increased to more than twelve millions, the nation that did it before can do it again—and in greater measure.

The terms of the Loan will be announced May 31st. Get ready to buy every Bond that you can.

A. M. Uley
MINISTER OF FINANCE

Help finish the job!

Buy VICTORY BONDS

Beamsville News

Most of last week's meeting of the A.R.P. was spent in some worthwhile drill, and the appearance of the Beamsville unit is rapidly improving. Some ninety-three men were in attendance, and following the period of drill, further instruction was given on the basic course which is being studied by the now many air raid precaution units.

Some discussion was heard with regard to a uniform dress to be worn for parades, the first of which will likely be the Victory Loan Drive parade to be held in St. Catharines on June 8th.

When widening has been completed at the summit of the escarpment, a great improvement will have been made to Mountain St. Much work has already been done, and the widening and straightening of this road is one of the best moves the County has seen fit to make in roadwork for some time.

Another extremely important road at present under reconstruction is the approximate quarter mile stretch north of the railway tracks. It is the only road leading from the Queen Elizabeth Way into Beamsville, and when it is paved it will provide a much better means of entering and leaving the town from the new highway. This road received the full brunt of the construction trucks when the highway was being built, and has been in poor condition ever since.

At the last meeting of the Beamsville Council, some talk of a wigwag signal at the railway tracks at this point was heard, but so far as can be learned, nothing definite has been done on this project as yet.

Lena Davis Chapter, I.O.D.E.
Empire Day Services

Nearly 500 pupils of the public schools in the district attended the annual Empire Day Service held in the Community Hall on Friday, May 23rd. Mrs. J. Mowat, educational secretary, presided over a programme, consisting of patriotic choruses, drill, and pageant depicting the countries fighting with the British Empire.

The Regent, Mrs. Earl Konkle welcomed the school children on behalf of the Lena Davis Chapter, and explained the significance of the Badge of the Order.

The Schools took part as follows: Grobb School—chorus, "The Empire is our Country"; Lower Thirty School—a speaking chorus—"Drakes Drum"; Beamsville School Chorus—"The King is Still in London"; Upper Thirty—reading on the "Life of Queen Elizabeth"; Lower Thirty—chorus—Rule Britannia.

Mr. Coombs of St. Catharines gave a very interesting and inspiring talk on the Victory Loan campaign which is opening on June 2.

Rev. Ferguson gave the report of the judges on the "letter contest." The first prize of \$2.00 in War Savings Stamps was won by Nedra Lumley of Beamsville School, second prize \$1. by Mildred Groh of Lake Shore School. Honorable mention was given the letter written by Grace Wilcox of Thirty School. These three letters will be sent to Miss Margaret Cairns, who is in a sanatorium in Glasgow, Scotland, and very lonely because she has been separated from her family because of evacuation to other parts of Scotland.

The programme closed with a wand drill by the Girl Guides, followed with a pageant showing girls dressed in the native costumes of: Britain, Poland, Czechoslovakia, Greece, Belgium, Holland, Norway. An explanatory reading was given during the pageant which ended by all singing "We'll all stick together!" Miss Nina

CANADIAN GARDEN SERVICE

By GORDON LINDSAY SMITH

Freshness

There is no substitute for the really fresh quality of vegetables grown at the door and picked when they are just the right stage of maturity. Such have a flavor all their own. But there are plenty of people with big gardens that do not enjoy as much of this freshness as they should. With them there are a few meals of green peas, baby carrots and beets, new potatoes and corn, and that is all. Either the rows are finished or else there is nothing left but peas, beans and corn which should have been eaten days or weeks before.

With a little foresight and planning, however, these unfortunates could just as easily have had really fresh vegetables coming on all through the Summer. They could extend even the green pea season to over a month, could have fresh corn from early Summer until almost Christmas.

Two Ways

There are two ways to achieve this objective. First, the planting season can be spread over several weeks. Experts advise making at least three sowings of practically all vegetables, the first a week or so before the regular time, the second at the regular time and the third a week or ten days later.

A second way to extend the season of really fresh vegetables is to use more different types. In practically every line it is now possible to get an early, medium and late maturing sort. By sowing all three, one automatically extends the harvesting season. Corn offers an excellent example. A few years ago there was only one Golden Bantam type. Now one can get a Bantam type that matures a week or so ahead of the average and it is also possible to get a late kind. By using all three, and in addition spreading sowing from the earliest possible date to on in July, the season of harvesting is extended in like proportion.

Spacing

In planting flower and vegetable seed spacing is important as even the enthusiast does not care to spend much time kneeling and thinning. Labor can be saved by not sowing too thickly. Corn, beets, peas and similar plants with big seeds can easily be sown at the distances advocated on the packet. With tiny seeded lettuce, alyssum or poppies, however, it is practically impossible to space by hand but if the seed is first mixed with a lit-

tle sand and the whole sown carefully, plants will be spread out.

Even with all this care, however, usually some thinning of plants is essential later on. Quicker and sturdier growth will result and there is plenty of room.

Common Mistake

A most common mistake of beginners is planting too deeply. Authorities recommend as a general rule only sowing to a depth of four times the diameter of the seed. This means that things like peas and beans will be covered with about an inch of soil, but tiny seeds such as lettuce and poppies will be merely pressed in.

Next Week—Importance of thinning—Hiding dying tulips.

Spray Service

Circular No. 7
Sweet Cherries

Spray 12 days after the last application (shucks spray). Use lime sulphur 1-40 and add 3 lbs. hydrated lime, and 1½ lbs. lead arsenate or 1 lb. calcium arsenate to every 40 gals.

Sour Cherries

Spray 10-12 days after the last application (shucks spray). If Bordeaux or a fixed copper spray was used in the last application do not use lime sulphur this time.

(1)—Use lime sulphur 1-40 and add 3 lbs. hydrated lime and 1½ lbs. lead arsenate or 1 lb. calcium arsenate. If the weather has been very wet use (2) or (3).

(2)—Use Bordeaux mixture 1-2-40 and add 1½ lbs. lead arsenate or 1 lb. calcium arsenate.

(3)—Use a fixed copper spray according to the manufacturer's directions and add 1½ lbs. lead arsenate. For every pound of fixed copper in the mixture 1 lb. hydrated lime must be added.

Plums

Spray 12 days after the last application (shucks spray). Use lime sulphur 1-40 and add 3 lbs. hydrated lime and 1½ lbs. lead arsenate or 1 lb. calcium arsenate to every 40 gals.

Grapes

Grapes should be sprayed with Bordeaux mixture 3-6-40, wherever there was mildew or black rot last year. Spray when the blossom clusters are showing and the individual buds are separating from the cluster.

FREIGHT CAR MOVEMENT ECONOMICAL OPERATION

Comparing rail and road freight operations, economics experts of the Canadian National Railways use as an example a full tonnage train operating between Brockville and Montreal. Such a train consisting of 100 cars will be a mile in length and carry approximately 4,000 tons of freight. Five men comprise the crew. The locomotive will burn ½ of a ton of coal per

Dead Arm Disease of Grapes

Examine vineyards during June and mark affected vines. Small cupped leaves indicate the presence of the disease. Tying a piece of cloth on the affected vines will help in identifying and cutting out diseased wood at pruning time next winter. Do not cut out diseased canes now. Renewing a vine by training a sucker coming from the base of the vine, will assist in keeping the disease in check. This is recommended for all vines 10 years old or older.

Peaches

All dead or dying wood should be cut out as soon as possible in order to make conditions less favourable for the spread of canker. Pruning cuts heal rapidly at this time of the year. The shot-hole borer breeds in dead wood and prunings. Prunings should be burned immediately.

Strawberries

At the first sign of powdery mildew, dust with sulphur.

Appoint S. Hunt
To Cemetery Post

At a special meeting of the cemetery committee held last night, it was decided to recommend to the Town Council at its next meeting that Sam Hunt be appointed caretaker of Queen's Lawn Cemetery in succession to Richard Wadge.

Mr. Hunt's duties, for which he is to receive the same remuneration as Mr. Wadge, will commence at the first of the month. Ratification of his appointment by the Council when it meets a week from next Wednesday is certain, for a majority of the Council are members of the cemetery committee.

Recently excerpts from letter of appreciation received from our boys were printed in our columns and since that time others have been received which we print here-with:

I can really thank you for the cigarettes. They are more than welcome. — Sgt. Max Johnson.

Extend my appreciation for the helping hand. Cigarettes are great-ly welcome. — Gnr. Roy Labs. Many thanks. Cigarettes practi-cally unobtainable here. — L. J. Begin. Thank you for the cigarettes.

To The Editor

The Editor,
The Grimsby Independent.

Dear Sir:

We hear so much these days of feats of magic from our old friend Andy Clarke of radio fame. Claire Wallace tells us of friendly com-petition between northern fire de-partments, but all of these are of no particular advantage to the communities in which they happen.

Now, my dear sir, I would like to relate something of which I am sure you do not know. I was sit-ting in my home the other evening when all at once the door burst open and a feminine voice, full of fear, yelled, "Call the Fire Depart-ment—our house is on fire."

The Department was called, and out of sheer curiosity I looked at my watch to see how long it would take the firemen to answer. Eight forty-six, said my trusty time piece. I went to the door and waited, holding the watch. Eight fifty, it said. Just then my ear caught the sound of a lusty siren making hideous the air on Num-ber 8. Down the highway they came to turn at Baker's Sideroad with a throng of motors in their wake.

Stopping long enough to drop the coupling end of the hose at the Hydrant, they turned into the lane of the house that was on fire, dragging the hose with them. Hose hooked to the hydrant after a two mile run, and ready to battle the flames (there were plenty of them in the attic) all in seven minutes flat. I would ask Andy Clarke to beat that one for a volunteer fire department!

Congratulations to Fire Chief Le Page and his men. We all feel bet-ter and more secure with that kind of protection.

I am,
yours, etc.,
James A. Wray.

Defective Wires
Cause Of Blaze

The Grimsby Fire Department was called to the home of John Cole, Baker's Sideroad, last Thurs-day night about 9 o'clock to ex-tinguish a fire which it was be-lieved was caused by defective wir-ing in a bed light. The blaze spread to a mattress and upon the arrival of the fire department the place was filled with smoke.

Although damage from fire was not heavy, the smoke and water which was played on the burning mattress caused some damage.

Red Cross Workers
Busy During May

The following is the list of ar-ticles sent to Red Cross headquarters by Grimsby and North Grimsby Branch for the month of May:

Carton 1—C. Navy
5 turtle-neck sweaters, 15 sea-men's stockings, 15 scarves, 15 hel-mets, 6 pr. seamen's mitts (faced).

Carton 2—A. Women's Auxiliary
6 pullovers, 5 cardigans, 1 pr. knickers, 9 pr. socks, 6 calots, 25 pr. bedsocks, 4 pr. gloves.

Carton 3—B. Army and Air Force
175 pr. socks, 40 pr. mitts, 10 helmets, 5 pullovers.

Carton 4—D. British Civilian
7 quilts, 7 afghans, 5 pillowslips, 3 scarves, 1 child's sweater, 2 pr. ward alippers, 2 babies' slips, 2 babies' nightgowns, 5 blouses, 6 dresses, 15 pr. mitts, 3 pr. wrist-lets.

Carton 5—D. Civilian
24 boys' trousers, 25 boys' blaz-ers, 7 slacks, 5 blouses, 2 capes.

They are certainly at a premium here.—Lt.-Col. Sinclair.

Wish to thank you for cigarettes. I was very glad to get them.—J. A. Carlton.

REV. GEORGE DARBY, guest preacher at Calvary Gospel Church Anniversary Services on Sunday, June 1st, in Beamsville.

Book Additions At
The Public Library

The following are among the books which have recently been acquired by the Grimsby Public Library:

Adult Fiction

This Above All, Knight; The English Air, Stevenson; He Looked For a City, Hutchinson; H. M. Pul-ham, Esq., Marquand; The Sleeper Awakes, Gibbs; This Is The School-room, Monserrat; Reckon With The River, McMeekin; When the Cat's Away, Bullett; Where Beauty Dwells, Loring; Not Without Peril, Allis; In This Our Life, Glasgow; He Rides The Sky, Baird; Mr. Skeffington, Elizabeth; In My Father's House, Street; Manhold, Bentley; The Secret Front, Gallico; Attack, Jamieson; Sick Heart River, Buchan; The Heritage of Hat-cher Ide, Tarkington; Delliah, Goodrich; To Sing With The An-gels, Hindus; Up At The Villa, Maughan; Random Harvest, Hil-son; The Crowthers of Bankdam, Armstrong; Benjamin Blake, Mar-shall; Today and Forever, Buck; Marionette, Cunningham; The Giant Joshua, Whipple; My Name Is Aram, Saroyan; That None Should Die, Slaughter.

In addition to the above which are all outstanding books of 1941 we have added, since the first of the year, some 250 titles consisting of mystery, detective, romance and westerns.

Non-Fiction

Out of the Night, Valtin; Cap-tain Paul, Ellisberg; Union Now With Britain, Street; Lanterns On The Levee, Percy; Drinkers of Wind, Raswan; Bushmaster, Smith; The Soong Sisters, Hahn; Mansion House of Liberty, Bot-tome; The Battle For Asia, Snow; As I Remember Tim, Zinsser; Cues For You, Ryan; And So To Bith, Roberts; Children In The Family, Powdermaker; Canada, America's Problem, MacCormic; Britain Speaks, Priestley; England's Hour, Brittain; Crossing Canada, Strack; So You're Going South, Laughlin; A Naturalist In Canada, Mc-Gowan; Finland Forever, Stroe; Schoolmaster of Yesterday, Ken-nedy; Entertaining Is Fun, Draper; Blood, Sweat And Tears, Churchill; The Wounded Don't Cry, Reynolds; The White Cliffs, Miller; Informa-tion, Please, Golenpaul; An Air-man's Letter, Anon; Empress Of The Dusk, Vandercook; Redemp-tion of Democracy, Rauschning; My Sister And I, Vander Heide; More About Nova Scotia, Dennis; North of Singapore, Wells; Stir-ring Deeds of Britain's Naval Might, Shaw; The R.A.F. In Ac-tion, Gardner; Donkey Inside, Bemelmans; See Canada Next, Nixon; Fortunes In Formulas, His-cox; Canadian Almanac, 1941; Under The Iron Heel, Moen; All In A Lifetime, Buck; Kabloona, de Poncins; To-day With The R.A.F., Blake.

Lions Clubs Met
In Joint Session

Director Of Galt Training School Describes Work Of Training Young Men.

Britain and her allies will be in a position to bring Germany to her knees when they have established an air supremacy, according to Captain E. Billington, head of the Galt Training School, Captain Bil-lington was speaking before a joint meeting of the Beamsville and Hamilton Lions Clubs at the Grimsby Golf Club last Monday evening.

Also attending the meeting were members of the St. Catharines, Merritt and Grimsby Clubs. President A. G. Richmond of the Beamsville Club acted as chair-man for the evening. Flight Lieut. Lumsden, recently appointed chief recruiting officer for the Royal Canadian Air Force at Hamilton, was present as a guest of the Hamilton Club, and introduced the speaker of the evening.

Captain Billington, describing the work of the school which he commands, told his hearers that it filled two purposes, that of provid-ing trained men for both industry and air force ranks. Men taken in-to the school are of the same age as those taken into the Air Force, except that young men going into industry may be but 16 years of age, two years under the minimum age for air force recruits.

The speaker stressed the fact that care was taken to place men in the sort of work for which they are best suited by temperament. He gave examples of young men who, when they have been changed from one class to another, have "found their feet", and pointed out that a mere one per cent. of those entering the school were found un-suitable for any branch of the work.

"As to the future, there are cer-tain things which are becoming more apparent daily," continued the speaker. "We see, in the strug-gle for Crete, the extreme need of air supremacy. The actions of a navy are considerably helped by an air force, while without an air force to support it, a navy might well be working under a handicap. We have to establish that supremacy in the air, and when we have we will be in a position to strike back at Hitler and his forces with tremendous power."

Captain Billington estimated that this supremacy would be achieved within a few months.

Attending the meeting were C. R. Dryman, president of the Ham-ilton Club, A. W. Horton of St. Catharines, Don Sullivan of Mer-riton, and district governor G. E. Bennett of Oakville. S. R. Globe, secretary of the Grimsby Club, was among local members present.

Ross Clemens of Hamilton, in thanking the speaker for his ad-dress, expressed the hope that Canadians would never forget the fact that the war now being waged

Books For Teen-age Boys And Girls

Hostess of The Skyways, Wil-son; A Place For Anne, Whitney; Og-Boy Of Battle, Crump; Og-of the Osve People, Crump; Mog, the Mound Builder, Crump; With Dan-iel Boone On The Carolina Trail, Key; Gustav—Son of Franz, Meek; Green Jade For Laughter, Cheno-with; Gulf Coast Treasure, Chap-man; You're On The Air, Hey-liger; Missouri Clipper, Long-Stieth; Blue Jeans, Bruin; Mystery Of The Jasper Jewel Case, Case; Janie, Bentham; Berry Patch, Law-rence; Christine, Lawrence; Rose-mary, Lawrence; Rosemary And The Princess, Lawrence; Curtain Calls, Deucher; Og, of the Cave People, Crump.

In addition to the above there are 20 mystery stories for girls and boys and about 50 titles for the younger people.

First Cadet

successful program which took place during the afternoon. He es-pecially commended the cadet corps for its excellent showing.

Proceeds of the entertainment during the evening, as well as of the tea held in the auditorium dur-ing the afternoon are to be given to the Lions British Child War Victims' Fund.

Victory Torch

(Continued from page 1)
attendance for this occasion.

On the Sunday following the June 6 observance here a mam-moth parade will be held in St. Catharines similar to the Grimsby one, and it is expected that many local citizens will be travelling to the Garden City for this event.

J. A. Jacklin, chairman of the program committee, has already called two meetings to discuss the observance, and it is expected that others will be held before the pa-rade takes place.

Though fully recognizing the im-portance of the Victory Loan Drive, Mayor Edric Johnson has stated that he will not call a civic holiday for June 6. The mayor has explained to the committee in charge that to curtail production even for a day would not be good policy at this time when production is sorely needed. His views have been concurred in by those in charge of the arrangements.

is for the maintenance of our homes. He urged strong support for the Victory Loan which will be floated next month. Ross Romain of St. Catharines had previously spoken of the Loan and its im-portance to Canada at this critical stage of the war. He pointed out that much money was required for the financing of British require-ments in Canada.
